THE BOEING COMPANY'S UNOPPOSED MOTION TO INTERVENE

Pursuant to Rule 24 of the Rules of the United States Court of Federal Claims (“RCFC”), The Boeing Company (“Boeing”), respectfully moves to intervene in the above-captioned case. Boeing seeks to intervene to protect its rights as an awardee of the contract protested in this action by Sierra Nevada Corporation (“SNC”). The contract at issue is for the second phase of the two-phased procurement strategy to develop a U.S. commercial crew space transportation capability to and from the International Space Station.

Counsel for Boeing has conferred with counsel for the United States, counsel for SNC, and counsel for co-movant Defendant-Intervenor Space Exploration Technologies, Corp., who each have authorized Boeing to represent that they do not oppose this Motion.

The grounds supporting Boeing's intervention are set forth in the accompanying Memorandum in Support of The Boeing Company's Unopposed Motion to Intervene.

Respectfully submitted,

s/ Scott M. McCaleb
